

WA Brown Instruments

TEST & MEASUREMENT

DEWESoft™

measurement innovation

www.dewesoft.com

24bit High Speed Data Acquisition - Any Sensor, Any Application.
USB, Ethernet, or Standalone.
DEWESoft 7 software – Measure, Process, analyze, Control.

www.excaliburengineering.com

Surplus Inventory Purchases, Refurbished Equipment Sales, Test Equipment; Rentals, Repairs, & Calibrations.

HIOKI

www.hiokiusa.com

High Speed Data Recording – Chart Recorders
Memory Recorders – Data Loggers – Power Quality Analyzers

IPETRONIK

www.ipetronik.com/en

Extreme condition data loggers (including inside engine compartments, and test chambers), CAN-networked modular measurement systems for mobile use and fleet data logging.

RIGOL

www.rigolna.com

Spectrum Analyzers, Digital Oscilloscopes, Digital Multimeters
High Performance Liquid Chromatography (HPLC) Systems,
Programmable DC Power Supplies, Function/Arbitrary Waveform
Generators

****NOTE** See Futek and Measurement Specialties for Sensors**

RF / MICROWAVE

www.cpcamps.com

Broad band High Power RF Amplifiers, operating from 0.1MHz to beyond 2GHz with power levels (pulsed and CW) from 30W to greater than 20kW. Supplementary products include combiners, dividers and couplers.

www.dbmcorp.com

Satellite Link Emulators, Carrier to Noise Generators & synthesizers

www.elcom-tech.com

Broadband & RF Modules & Subsystems
Fast Switching Synthesizer, Tuners, Receivers to 26.5GHZ
Phase Locked Oscillators to 40GHz, Low Phase Noise, VME
19" Rack & Modules

****NOTE** See Brandywine Communications for GPS timing**

EQUIPMENT RACKS & CONSOLES

www.emcorenclosures.com

Modular Equipment and Network Enclosures, Modular Consoles / Security Consoles, EMI/RFI Shielded and Bellcore Qualified Seismic Racks

GPS TIME & FREQUENCY

www.brandywinecomm.com

Cesium Clocks - GPS Time and Frequency Receivers (SAASM Options) -IRIG Time Code Generators & Sync Clocks - Time & Frequency Distribution - Network Time Servers (NTP) - Precise Time Protocol (PTP) Grand Master Clocks - Time Displays - Precision Time Measurement Instruments – and the Industry's Largest selection of Computer Bus cards.

RELIABILITY & COMPLIANCE

Innovation. Experience. Performance.™

www.chartchambers.com

Turn –Key HALT/HASS Systems - 6 Degrees of Freedom Vibration, repetitive shock vibration, 60° thermal change rate

www.haefelyemc.com

EMC Transient Immunity Test Systems, ESD, EFT, Surge Generators, IEC, EN, ANSI, Bellcore and FCC Standards

www.sciometric.com

Quality and process monitoring systems for operations across the manufacturing line; database & analytics software for complete traceability, analysis and reporting.

SENSORS

ADVANCED SENSOR TECHNOLOGY, INC.

www.futek.com

Load Cells, Force Sensors, Torque Sensors, Pressure Sensors, USB Sensor Solutions, Signal Conditioners, Digital Displays and Portable Sensor Verification / Calibration Systems (VCal)

www.lionprecision.com

Industry Leader in High Performance Non-Contact measurement and Sensing / Capacitive and Eddy-Current Sensors for Position-Displacement-Vibration / Complete Measurement and Data Acquisitions Systems

www.meas-spec.com

Vibration / Dynamic Pressure, Dynamic Force, LVDT/RVDT, Tilt and Fluid Properties Sensors
